Subject: RE: Potential Surveillance

Eric –

I have been away on vacation, but my only suggestion in response to the email below is that, if you have concerns about aggressive or unsafe behavior by anyone in relation to your family, then you have the right to contact your local police agency.

Subject: Potential Surveillance

Andy:

I need to ask you to confirm whether your clients engaged in surveillance activities of Sandhya Desmond or her family during the weekend of July 26, 2014, the weekend of August 2, 2014 and/or the weekend of August 23, 2014 and, if so, to identify any person/company performing surveillance activities. There was questionable behavior that I believe was overly aggressive and raises safety concerns, especially as my children (and my elderly in-laws on one occasion) were with her while I was driving.

Very truly yours,

Eric
